

Summary of Bond Results Questionnaire:

Questions	N/A	Yes	No	Undecided	No Response	Comments
Do you believe graphs accurately reflect the facility needs of the district?	5	7	4		6	
Do you believe the district has a need for new facilities?		22				
Should the district have one big high school or two high schools?		*18	1		3	*Should be two high schools (17) Split Hartman & Brown into separate schools (1)
Do you believe small learning communities are better than large communities?		19	2	*1		* Both can work well
Would you send your kids to Redmond High School?	1	8	11	*1	1	*Not sure yet
Are portables a good solution for overcrowded schools: Short Term? Long-term solution?		*12	10			*Short term -11 (Unless they have running water perhaps ok)
Redmond should be a one high school town because two high schools would divide the community?	*2	1	18		1	*Never thought of it that way, good point/Use facilities now before building
I think a two high school town is good for community and is better for education?		21	1			
Education criteria should drive facility planning & design?		19			3	
We should develop & continue our freshman academy program in the High School?	3	15	1		3	

Other questions or concerns listed below:

1. The graphs didn't make the issues clear, especially since I wasn't able to turn them to be horizontal.
2. Loss of valued employees due to lack of job classifications because of work overload. School need students loads that are manageable.
3. High School should be glued to Hartman. They are separate entities- why not split and have two schools with "choices"- This would change the league issue and help with some issues we still need a new high school or remodel RHS- ADD ON!
4. Not fair- Funds split/ RHS & Hartman & Brown

Tumalo School:

Questions	N/A	Yes	No	Undecided	No Response	Comments
The facilities are in good shape?		*12	9		1	*OK/fair shape (5), Main building good shape but modulars are in bad shape, Mine are but mostly No As good as can be expected for such an old bldg.
The facilities need improvements (Heating, wiring,...)?	1	15		3	*3	*Septic System/Wiring in classrooms
We need new equipment (furniture, desks...)?		14	5		3	
We are jealous of Tom McCall and Elton Gregory?	1	9	11		*1	Dumb/weird Question *New Yes/Size No
The District should have a 20 year plan on facility needs?	1	17	2		*2	*Can't do that who knows
Should the District go out for a Bond?		17	*1	2	2	*For What? Tumalo-No
Should the District develop constant funding for facilities?		20		1	1	
Should the District go out for a bond just for the high school?	1	11	8	1	1	
The District should go out for a bond for a 20 year facility plan? Fund three to four schools	1	*12	**4	3	2	*Yes vote 5 years (1) /**No vote 5 years (1) Not before High School DO NOT LUMP TOGETHER
The District should go out for a bond for deferred maintenance?	1	*11	**3	***3	4	*If necessary **Projects***Interesting, they can pay for a lot of "new" stuff and "new positions in the district for salaries but they forget the maintenance of the building
The community trusts the Redmond School District?	1	*11 - inbetween votes	4	3	3	*Building Trust-still need to/Sometimes
