

FROM THE PRINCIPAL

Dear Parents and Community Members,

This report card is an overview of what Sage Elementary offers to students. Last year, we received an Overall Rating of about average, meaning that our students are performing about as well on standards-based tests as students at other Oregon elementary schools.

Academic highlights for 3rd-5th grade:

- 76% met or exceeded state standards for reading which is 5% above the state average.
- 66% met or exceeded state standards for math which is 4% above the state average.

We have seen considerable growth among student with disabilities in both reading and math. There has been slow growth in reading and

math scores among English language learners and Economically Disadvantaged students. To address this, we've chosen to focus on implementing the new Common Core State Standards (CCCS). We will deliver the same excellence you have come to expect from Sage Elementary.

You can help by monitoring your child's homework and attending parent-teacher conferences. In grades 3-5, you can view assignments and grades using ParentVUE online at www.redmond.k12.or.us.

We look forward to teaming together with you to make success possible for all students!

Thank you,

Principal | Carolyn Espinosa
