

## **HERBICIDE/BROADLEAF APPLICATION NOTICE**

**It is mandatory for each facility to post this notice on their school website in addition to the site notices that will be posted by our grounds personnel. These actions satisfy our due diligence to provide public notification as required by law. Thank you for your assistance with this matter.**

The Facilities Department hereby gives notice that Helena Chemical Company personnel will spray all turf areas for broadleaf weeds in grass at the following sites, and dates, between 6 a.m. – 2:30 p.m., weather permitting.

### **All Schools and Facilities, Turf Areas Monday - Friday, July 23-27, 2018**

These grass areas will be posted as closed between 6:00 a.m and 12:30 p.m. or until the grounds personnel have determined the product being applied has had sufficient time to dry on the vegetation. Please notify staff and the public of this application at least 24-hours in advance of these application dates.

The product being applied is listed below. The safety data sheet is located in the red SDS binder at your facility.

### **T Zone SE EPA #2217- 976 Type of Product – Selective Herbicide**
