1st Grade Supply Fund Donation 2019-2020

Due to parent feedback and the school's ability to purchase supplies at a reduced cost, our first grade classes have chosen not to request specific school supplies this year. Instead, we are asking for monetary contributions. The cost for supplies calculates out to \$25.00 for each student. We are therefore asking for voluntary donations in that amount. If you are unable to contribute, your child will not go without supplies. If you are able to help in a larger amount, that would be greatly appreciated and would be used to support a student whose family are not able to contribute.

We also ask that each student comes to school with their own set of headphones to use with our Chromebooks.

To pay your supply donation online: visit <https://payrsd.hdesd.org/lite>
