BOARD WORK SESSION

A Budget Committee Meeting (5:33 pm – 7:23 pm) preceded the Board Work Session.

The Board discussed Steve Kelley's (OSBA) next visit scheduled for May 15, 2019. Steve will be bringing the PSP Scholarship check to be presented, although the Board still has three more sessions to complete the PSP Program.

On May 15, Steve Kelley will also be presenting the Board with a general overview of a timeline for a superintendent search. It was suggested that sometime between now and the end of June, the Board have some preliminary discussions with District Office leadership to gather feedback on a timeline, as well as feedback on what type of process they would like to see. Options for a search could range anywhere between an outside search agency handling the entire search, to a Board driven search, or somewhere in between. Once the timeline and process are determined, in the fall, the Board definitely agrees on getting community input on the search.

Work session adjourned 7:44 pm.
